

Information on Admission

MA International Health & Social Management (Management Center Innsbruck) study programme code 0360

Introduction

According to § 4 para. 4 FHSStG, the educational requirement for admission to a university of applied sciences master degree programme shall be the completion of a subject-relevant university of applied sciences bachelor degree programme or the completion of an equivalent degree programme at a recognised domestic or foreign post-secondary educational institution. In the case that equivalence has basically been established and only certain supplementary qualifications are required for full equivalence, the programme director shall be entitled to tie the determination of equivalence to examinations to be taken during the master degree programme.

Definition of „relevant“

In any case, the bachelor degree programme Nonprofit, Social & Health Care Management completed at the Management Center Innsbruck shall be regarded as a relevant bachelor degree programme. The admission to this master degree programme shall also be made possible following the successful completion of any other relevant bachelor or university of applied sciences bachelor degree programme. Relevant bachelor or university of applied sciences bachelor degree programmes are characterised by a minimum workload of 60 ECTS Credits in the following fields:

Field	ECTS Credits
Business Administration, Economics, Medicine, Public Health, Nursing or Social, Political or Natural Sciences	60
