ALUMNI AWARD TOP GRADES Master Mechatronics & Smart Technologies

MCI Alumni Survey confirms the outstanding quality of the Entrepreneurial School®.
First-class acceptance in the business world and impressive career paths of the MCI alumni.

94.3% Recommendation of MCI
would "definitely" or "most probably" recommend MCI to others

97.2% Choice of study program
believe their study program was "definitely" or "most probably" the right choice

93.8% Overall rating of study program
rate their study program with an "excellent" or "good" mark

90.7% Student support
rate the support they received during their studies as "excellent" or "good"

The synergies of theory and practice in the mechatronics program at MCI form an important foundation for a successful career in a field that will continue to develop rapidly in the coming years. In addition to the practice-oriented courses and the associated laboratory units, the MCI's strong network offers attractive opportunities in later professional life. I wouldn't want to miss the time and experience I gained at the MCI, both professionally and privately!

Jens Hopfgartner, Graduate Master Mechatronics & Smart Technologies

Key data of the survey

Method: Full anonymous written survey using a standardized online questionnaire

Time frame: 2019/20

Response rate: 40.2%
