80.4%**Overall rating of study program**

rate their study program with an "excellent" or "good" mark

96.0%**Student support**

rate the support they received during their studies as "excellent" or "good"

My studies prepared me for my professional life in many ways. The biggest preparation, however, were the regular projects that we had to organize, design and prepare independently. Here we were in contact with various companies and practice partners. I was able to learn a lot, especially in terms of management, organization and "keeping an overview". These experiences accompany me in my job and are a great help for my everyday business life.

Gloria Mack, Graduate Bachelor Nonprofit, Social & Health Care Management

Key data of the survey

Method: Full anonymous written survey using a standardized online questionnaire

Time frame: 2019/20

Response rate: 26.9%
