

mci advisory board.

Statute | Status 1 June 2019

1. The MCI Advisory Board advises and supports the Entrepreneurial School® in its strategic orientation and further development as well as in achieving its goals.
2. The members of the Advisory Board are respected figures from business, science and society who support the Rector and the Entrepreneurial School® with their experience, competence, commitment and contacts, in achieving these goals.
3. The MCI Advisory Board provides the rector of the Entrepreneurial School® the opportunity to discuss and reflect on the strategic considerations of the school within a circle of proven experts.
4. The MCI Advisory Board offers its members the opportunity to network with the academic world, gain insight into its topics, activities and developments, contribute expertise and initiate new approaches.
5. The MCI Advisory Board meets once a year in Innsbruck, where feasible. In individual cases, Advisory Board meetings may also be arranged at other locations. Independently, there is the possibility of individual exchanges during the year.
6. The MCI Advisory Board is not a corporate or higher education body (e.g. supervisory board, shareholders' meeting, university collegium), and members are not burdened by such related tasks, competencies and responsibilities.
7. The Rector shall appoint the members of the Advisory Board. The term of office is 5 years, beginning at the time of commitment and ending automatically at the end of that period. A reappointment is permissible. The work is undertaken on a voluntary basis and is therefore not remunerated.
