OPEN HOUSE

Dear Open House visitors,

Our Open House offers you the opportunity to gain first-hand insights into studying at the Entrepreneurial School® at our two locations at Universitaetsstrasse 15 and Maximilianstrasse 2: In addition to an introduction to topics relating to studies and admission, semesters abroad and work placements as well as graduation and career prospects, you can look forward to numerous informative lectures and guided tours.

Use your visit to ask all questions you may have – the staff, faculty and students at the information stands will be happy to help you. Moreover, an interactive marketplace at the MCI in Universitaetsstrasse 15 offers the opportunity to find out about scholarships and grants for studies and semesters abroad, accommodation and public transport in Innsbruck as well as work, leisure and sports opportunities.

We look forward to your visit!
Your MCI team
