

# Information on Admission

## MA International Business & Law (MCI – Management Center Innsbruck) study programme code 0491

### Introduction

According to § 4 para. 4 FHSStG, the educational requirement for admission to a university of applied sciences master degree programme shall be the completion of a subject-relevant university of applied sciences bachelor degree programme or the completion of an equivalent degree programme at a recognised domestic or foreign post-secondary educational institution. In the case that equivalence has basically been established and only certain supplementary qualifications are required for full equivalence, the programme director shall be entitled to tie the determination of equivalence to examinations to be taken during the master degree programme.

### Definition of „relevant“
