Vice President for International Affairs
Bangkok University
MCI Partner University

Warm greetings from Bangkok University, Thailand.

It gives me great pleasure to congratulate all of you as new graduates of Management Center Innsbruck (MCI), one of the most prestigious universities in Austria and a great partner of Bangkok University for many years.

To become successful in this evolving digital era, you need to work smart, be open and ready to acquire new knowledge and adapt to new skills you may need for your professional endeavors. As global citizens, you should be mindful and sensitive of diverse culture and people around you while acknowledging and accepting views that may be different from yours.

Amid this challenging time of the COVID-19 pandemic, where we are separated but yet still connected, I wish for you to stay healthy, be happy and enjoy your life moving forward but not to forget to extend your helping hands to others whenever possible.

Once again, congratulations.
