## fascination fintech.

How we will pay in the future

# SUSANNE STEIDL

CPO, Wirecard AG, Aschheim/D

*Wirecard is one of the world's fastest-growing digital platforms in the area of financial commerce with more than 5,300 employees in 26 nations. Wirecard offers both businesses and consumers a constantly growing ecosystem of value-added services for innovative digital payments: online, mobile, and at the point of sale. Wirecard operates regulated financial institutions in several key markets and holds licenses from all major payment and card networks.*
